

AIREST Ltd.
L-410 UVP-E specification sheet

Serial number **912608**
 Registration number **ES-LLB**
 Year of production **1991**
 Utilisation started **1993**

Engines **Wattler M601E**
 Propellers **Avia V 510**

Aircraft status **15.5.2008**

R1 revision completed **24.June 2004**
 After R1 airframe resources (hours) **4800**
 After R1 airframe resources (years) **10**

| Airframe resources | Total hours since R1 (TTSO) | Totale landings since R1 | Hours remain | Total hours since new (TTSN) | Total landings since new |
|---------------------------|------------------------------------|---------------------------------|---------------------|-------------------------------------|---------------------------------|
| s/n 912608 | 1 309 | 1 322 | 3 491 | 5 780 | 7 719 |

| Airframe | Engine & propeller resources | Total hours since R1 (TTSO) | Totale cycles since R1 | Hours remain | Cycles remain | Total hours since new (TTSN) | Total cycles since new |
|-----------------|---|------------------------------------|-------------------------------|---------------------|----------------------|-------------------------------------|-------------------------------|
